## **ПОЯСНИТЕЛЬНАЯ ЗАПИСКА**

### **к проекту закона Приморского края «О внесении изменений в Закон Приморского края «О территориях Приморского края, в границах которых земельные участки не могут быть предоставлены в безвозмездное пользование»**

Проект закона Приморского края «О внесении изменений в Закон Приморского края «О территориях Приморского края, в границах которых земельные участки не могут быть предоставлены в безвозмездное пользование» (далее – проект закона) разработан в соответствии с пунктом 3 статьи 2 Федерального закона от 01.05.2016 № 119-ФЗ «Об особенностях предоставления гражданам земельных участков, находящихся в государственной или муниципальной собственности и расположенных на территориях субъектов Российской Федерации, входящих в состав Дальневосточного Федерального округа, и о внесении изменений в отдельные законодательные акты Российской Федерации» (далее – Федеральный закон № 119 - ФЗ).

Программой «Социально-экономическое развитие Дальневосточного федерального округа на период до 2025 года» установлены показатели на 2020 год в части заключенных договоров безвозмездного пользования на земельные участки в количестве 3278.

В настоящее время снизилась активность граждан и количество заявлений на предоставление земельных участков в рамках Федерального закона № 119-ФЗ. За период с 01.01.2020 по настоящее время гражданами подано 306 заявлений.

В целях повышения активности граждан, во исполнения Протокола совещания от 26.12.2019 № КЦ-10/4 под председательством заместителя Министра Российской Федерации по развитию Дальнего Востока и Арктики К.А. Цыганова и эффективности реализации Федерального закона № 119-ФЗ о сокращении площади буферных зон вокруг крупных населенных пунктов Приморского края, в том числе городов Владивосток, Артем и Находка и доведения числа заключенных договоров безвозмездного пользования до установленных показателей, проектом закона предлагается

сократить буферную зону вокруг городов Владивосток, Артем и Находка,

что позволит открыть части территории Надеждинского, Шкотовского и Партизанского муниципальных районов Приморского края для предоставления земельных участков в безвозмездное пользование.

Проектом закона предлагается открыть части буферной зоны города Находка, за исключением населенного пункта поселок Волчанец, буферную зону города Артема за исключением территорий, занятых садоводческими товариществами и буферную зону от города Владивосток предлагается установить 10 км.

За период реализации Федерального закона № 119-ФЗ федеральная информационная система ФИС «На Дальний Восток» наполнена необходимыми сведениями, что не допускает выбрать земельный участок, ранее предоставленный гражданам и юридическим лицам. Также в Приморском крае проведены мероприятия по внесению сведений о границах муниципальных образований, населенных пунктов и территориальных зон в Единый государственный реестр недвижимости, что позволяет гражданам сформировать земельные участки в соответствии с целями освоения, учитывая установленные виды разрешенного использования и не приведет к бессистемному выбору земельных участков на данных территориях.

Кроме того, проведен анализ земельных участков, предоставленных в рамках Федерального закона № 119-ФЗ до вступления в силу Закона Приморского края от 05.12.2018 № 411-КЗ «О территориях Приморского края, в границах которых земельные участки не могут быть предоставлены гражданам в безвозмездное пользование» в Хасанском муниципальном районе, в результате которого выявлены 69 земельных участков, не включенных в перечень земельных участков (таблица 11).

Данные земельные участки учтены в перечне земельных участков, указанных в приложении к проекту закона.

Расширение территории предоставления земельных участков в безвозмездное пользование в границах населенных пунктов предоставит возможность гражданам оформить земельные участки в фактически занимаемых границах, в случае выбора вида разрешенного использования земельного участка (для индивидуального

жилищного строительства или для личного подсобного хозяйства (приусадебный земельный участок) граждане смогут воспользоваться программой льготного ипотечного кредитования (ДВ - ипотека под 2%).

Проект закона не содержит коррупциогенных факторов.
